

# I Believe In Angels

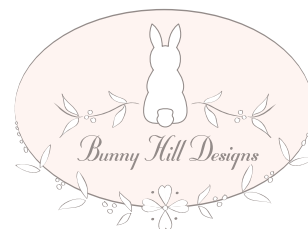

by Bunny Hill Designs

I've loved Christmas angels for as long as I can remember, and I collect them in all shapes and sizes. I believe in the joy these angels bring to the season, and every Christmas, I place one at the very top of my tree. Every time I add another angel to my collection, I feel that joy in my heart once again.

I think the time is right to share some angel love with you. \*I Believe In Angels\* is colored for the holidays in red, green, cream, and aqua. For this collection, I am reintroducing a very special quilt that you may not have seen before, along with a few more angel patterns that I hope will bring joy to your Christmas sewing. Who knows, you may find that you believe in angels too.
